

RENDY FERIXSEN THE

FOUNDER & CHIEF EXPERIENCE OFFICER AVIRTECH GROUP

LinkedIn: [linkedin.com/in/rendyfrx](https://www.linkedin.com/in/rendyfrx)

PROFESSIONAL SUMMARY :

Technology professional turned business leader with deep expertise across telecom, billing, mobile apps, and IoT solutions. Experienced in designing and delivering complex systems, building mobile products, and now managing drone and IoT-driven agritech solutions. Strong at bridging technical depth with business outcomes, driving innovation from concept to market.

Vision :

- ♦ Visionary / Impact-driven

"I thrive at the intersection of technology and business, turning complex ideas into solutions that drive real-world impact."

- ♦ Practical / Results-focused

"From telecom to agritech, I've built my career on bridging technical expertise with business outcomes that scale."

- ♦ Innovative / Growth-oriented

"Passionate about applying emerging technologies—mobile, IoT, and drones—to create smarter, more sustainable solutions."
